

Minehead EYE's Grand Opening of their brand new facility 'The Bouldering Cave' was a huge success on Saturday 20th July. With over 60 people attending including local councillors, local business owners, members and guests, there was a fantastic atmosphere on the day.

Centre Manager Joe Heley and Director Naomi Griffith both individually thanked everyone who donated to the wall and everyone for their continued support of the EYE this was followed by the cutting of the ribbon by a group of keen future boulderer's.

Once the room was officially opened children and adults alike kitted up and had a go at following some of the pre-set routes and practiced on the training wall. Whilst others enjoyed the fantastic sample menu that was on offer, designed to provide a quick energy boost.

Joe Heley Centre Manager said 'the day was a huge success and we couldn't have asked for a better turnout, everyone who came was as enthusiastic as we are about this fantastic new facility. However none of it would have been possible without the kind donations from local people, business' and West Somerset District Council.'
