

Minehead Seafront – East Area Refurbishments 2018

Public Survey

In order to ensure that the new masterplan for Minehead Seafront East meets the requirements of everyone a survey (below) has been compiled to gather information to help direct the proposals. Please fill in those questions that you feel apply to your particular use of the seafront, plus any additional uses that you have an opinion about. There is no particular requirement to complete all the questions if you feel any are not relevant to you.

Thank you for taking the time to help us with this project.
