## General Parking Permit Application 2018

Parking permits are available from the date of application and offer a saving over normal parking fees. Whilst a parking space cannot be guaranteed, permits offer a substantial saving to regular car park users, and the convenience of not having to find change for pay and display machines.

### How to Apply

Using the table on the next page, please choose the permit you wish to purchase, complete the application form and return together with the appropriate payment to:

**West Somerset Council, West Somerset House, Killick Way, Williton, Taunton, TA4 4QA**

Payment for your parking permit can be made by cheque or postal order and should be made payable to '**West Somerset Council**'. Should you wish to make payment by cash or debit/credit card, you should visit our office together with your completed application form. You may also make a payment over the telephone with **Customer Services** on **01643 703704**.

We are unable to process **NEW** or **CHANGE OF VEHICLE** permit applications over the telephone.

Please note, we aim to process permit applications within 5 working days from receipt of your application, however, this may be longer during busy periods. Failure to fully complete the application form may result in it being returned for completion and this will delay your parking permit.

If you have any queries relating to a parking permit, please contact **Customer Services** on **01643 703704**.

This document can be made available in large print, Braille, tape format or in other languages on request.

Please ask our **Customer Services** team for details.
